HAPPY 18th BIRTHDAY BJORK

Notes from last weeks Meeting

Acting President Krista

- Reminded members that Glenda is taking up a collection for Bjork's 18th Birthday - will be a presentation next week
- Had correspondence from the Migrant Resource Centre about the books we donated - all are now in use. Thanks to members.
- The Change-Over Dinner will be on Saturday 30th June at the Colonial Motor Inn. Numbers taken for attendance.

Youth Service - Lance P

- Thanked everyone who made the Science and Engineering Challenge another success over 3 days last week. Thanks to all
- A reminder that 'My Career' is on tomorrow
- Information on Youth Exchange for next year will be advised to the Club - it's all happening

Dale L

- 'Studentworks' - an organisation which takes disengaged students from High Schools and puts them into a workshop environment - is in need of some physical help in painting etc - July/August. More info available closer to then

Josh De G

- Sheep Poo collection this Saturday - 2 more needed

Graeme Le F

- All is in readiness for the Fiji trip to Ono Island - we are building a pontoon for the students to safely get to shore from the boat. The group leaves on Tuesday next and returns Wed 27th

It is Bjork's 18th Birthday on Friday.

Happy Birthday! Bjork, at 18, it's the perfect time to dream big, take giant steps and reach for the stars.

Let's join together on Thursday evening and wish her all the best for Friday and the future wherever it may take her.

Tasmania, Australia Fly Fishing by Todd Moen

A great video showcasing our beautiful scenery in the lake country.

APOLOGIES BY 10.30am TUESDAY TO TERRY CRAWFORD 63447033 or 0417 366 531

(If not received by then, an invoice will be issued)

Guided Fly Fishing Simone Hackett

We were indeed entertained last Thursday evening, especially if you were a keen trout fisherman, by Simone Hackett who is a fly fishing guide in one of the most picturesque areas of Tasmanian high countries.

This is where the water starts from springs in the mountains and runs down the rivers over granite sandy bottoms and gives great clear water trout fishing, this is mostly sight fishing and leads to exciting catches.

People from all over the world come to try their luck at our cunning trout and will stay in Tassy for long periods to take in this beautiful scenery.

Simone showed us a video which even if you were not into the fishing side of the sport, should not have been missed for the scenery of the lake country.

Thank you for your talk and I feel that the questions fielded by most Rotarians were an indication of how important this sport is to Tasmanian Tourism.

Hi Dale

I am wondering could Studentworks put a proposal to your Rotary Club, for "manpower" to complete painting of the dining area at SW

Suggesting would probably need 4 people/ painters over 2 or 3 days to complete the job. During July/August weekends.

Studentworks would supply paint, some rollers, and brushes. Have the covers for floor etc. Probably may need some paint poles.

Thanks

Sheryl Thomas

Subject: FW: Assistance - plse.

Hi all,

I just received the following email from Student Works for a bit of help with labour.

Student Works is located at Rocherlea (old 4 Roses site) and takes kids, who are in grade 10, out of school for periods and gives them a taste of workshop and cafe life. I'm on the Board, that's why I got the email.

Kim, I assume you're still Community Service next year, so would you mind if we caught up on Thursday, with Krista, (as it's in next year's timeslot) and put it to the club. I'm sure we'll get volunteers. No money involved.

Cheers

Dale

STOP PRESS

Past President Ian Smith has volunteered to take over the reins as Newsletter Editor of 'Tamar Views' from the 1st July. With his past experience at newsletters, I am positive that he will bring some fresh ideas to this important part of our Club's weekly news.

The Board and Directors for the next Rotary year will need to try and give relevant snippets to the Editor for the club members on a regular basis.

The Science and Engineering Challenge was held over 3 days this past 2 weeks and saw around 500 students from the local area compete for the opportunity to go to Darwin in September. The event has students doing practical hands on activities encompassing many science and engineering concepts. It's great to see the varying creativity in ideas and solutions coming from our future leaders. Day 2 was won by Riverside high school, while Launceston Christian School won day 1 and went on to also win the Super Challenge and are heading off to Darwin later in the year.

See you all again next year
