**President's Notes**

Hello Rotarians,

I would like to welcome you all back to the next half of the Rotary year. I have had a great Christmas and New Year with my family and of course with Bjork as we have tried to make her Aussie Christmas memorable. A huge thanks to Rotarian Steve Gordon and Leonie who have taken Bjork to Low Head for a few days. Bjork enjoyed her time and loved the time spent on the water sailing.

We are kicking off the year with a few requests for assistance from Country Club Casino, please give some time as this is a great way to fly not only the clubs flag but Rotary's as well. We also have Festivale and The Wooden boat Festival. We are a large club therefore we should not have any issues with willing volunteers.

Last Thursday night a group of Rotarians and partners met at Iron Horse Bar and Grill for a meal and Trivia. Thank you Rotarian Les Baxter for the invitation we all had a great night.

The theme for this year's Rotary conference in Hobart is "Aspire to be Inspired". I have already booked my spot from the 6th to the 8th April.

I look forward to seeing you all on Thursday night.

Yours in Rotary,

President Glenda Iles

**Message from  
Secretary Krista**

Last year we had the honour of cleaning the portable Chambers of Horror for the Red Hot Summer Tour at the Launceston Country Club Casino. This was quite a social activity for our club and once again we have the opportunity to raise some funds for our Club and assist our community on a personal level. Despite the job it was an enjoyable day. So once again we have been called to carry out the deed so we need as many helpers as we can.

**21<sup>st</sup> January is the date and we need more volunteers than last year so the shifts are shorter. The day will start at 11.30am finishing at 9.30pm. Rotary shirts and caps will need to be worn and we need volunteers signed up ASAP. So send me your names and availability.**

[The more people we have the shorter the shifts will be!](#)

*If you are unable to fulfil your rostered duty, please arrange for a replacement.*

**A request from Director Kim** for volunteers for the Wooden Boat Rally on the 3<sup>rd</sup> and 4<sup>th</sup> February.

We require *5 people* on the Saturday for an hour and a half each to sell raffle tickets and *5 people* for the gold coin collection area.

On the Sunday we need *4 people* for the raffle area and *4 again* for the gold coin collection.

*I will be asking for volunteers at the meeting on Thursday the 18th of Jan to confirm that we have enough members to fill these spots.*

Another request is a reminder for members to think of some raffle prizes for the wooden boat rally. As this is a boat rally donations need to be relevant to the event.

We are seeking donations such as alcohol, boating and/or fishing paraphernalia.

This is Rotary South Launceston's debut with the wooden boat rally committee and it would appreciate all the assistance we can offer.

We are also conducting the Breatho Service at Festivale this year which also requires some volunteers. SES are providing assistance with this but we still have spots to fill. Predominately the Friday 7.30 til 10 and the Saturday 7.30 til 10.

We will be provided with T-shirts and caps for the night but we are allowed to wear our rotary caps if you prefer.

I will be attending all the shifts as co-ordinator so if you have any questions please ask or call anytime. A big thank you to Sonia and Harry for their assistance on Friday night and their quick response for volunteering.

Training for this project will be on the 30th of January at Lincs from 6 til 7.30 and all volunteers will receive tickets for Festivale on that night

**Women gain skills and self-worth. Stella Dongo; Rotary Club of Highlands, Zimbabwe**

In a nation challenged by high unemployment and one of the largest populations living with HIV/AIDS in the world, Stella Dongo, along with Carolyn Schrader of the Rotary Club of Denver Mile High, Colorado, has led the way in providing training, education, and

hope to women and youth in need.

The two women's Rotary clubs partnered in 2003 to start HIV/AIDS education programs in poor Harare communities, funded by Rotary Foundation grants. But when the Rotarians surveyed program participants, they found that an even more pressing need was job skills.

"The women we serve wanted to find ways to put food on the table and send their children to school," says Dongo, a recently retired business executive and a 2015 Rotary Global Woman of Action.

In 2009, Community Empowerment in Zimbabwe was launched with a \$330,000 Rotary 3-H grant to fund four years of job and business skills training for women and youth. In 2014 the clubs received a global grant to support advanced business and computer training for women, and another global grant in 2016 helped them expand their efforts in additional communities.

Today, the group is equipped to train about 500 women at a time. "When we started the program, these women were depressed and helpless," Dongo says. "Now they have a sense of self-worth and pride. They see themselves as being able to stand on their own feet."
