NO MEETING THIS WEEK

President's Notes

Hello fellow Rotarians,

Thank you to all who attended last weeks meeting. DG Tony Coleman and his wife Liz gave a great introduction on the Rotary year ahead of us. Prior to our meeting the Board sat with the DG and outlined what we want to achieve this year and we also mentioned the project we have completed. The DG has encouraged us to keep up the good work. The DG has also mention the conference which will be held in Hobart in April, I would suggest that if you are interested in going booking a hotel room sooner than later would be beneficial especially if you want to stay in the city or waterfront area.

We have 14 members attending the Group Forum tonight; we will be truly flying our club flag with pride.

Geoff, Bjork and I headed off to Hobart on Saturday, it was a very wet and cold day and Bjork felt at home. We visited Salamanca and Hobart city for a teeny bit of shopping, lunch was at Mures and did not disappoint. I will once again ask Rotarians to consider taking Bjork along with them to any day trips. School break is coming up soon which means a lot of free time for our

exchange student and I would hate to see her get bored.

I look forward to seeing you all next Thursday.

Regards

President Glenda Iles

District Governor Tony Coleman and his wife Liz visited our club last week. Tony met with the Board before the dinner meeting and obviously was our guest speaker for the evening. He ran a video showing a speech from RI President Ian Riseley. DG Tony asks that we all make sure that we promote Rotary as much as possible. We are out there in the community doing good things but we must tell people about the good Rotary is doing. He highlighted the importance of remembering that we also all have life outside of Rotary. His aim this year is to keep a steady ship.

Liz spoke to us about her project for this year called District 9830 Book Drive for Literacy. *See page 3 for more info on this project.*

We thank them both for their attendance and hope they have a successful Rotary Year.

District Governor's Newsletter

August-September 2017

September is Basic Education and Literacy month

Liz Colman's book drive for Literacy is well underway, with many Club's donating their books at the District Governor's official visits.

I am quite overwhelmed by the support being given to my District 9830 Book Drive for Literacy. Of course, there are still several clubs we have not visited which have not come on board yet.

Clubs are sourcing needy recipients and some have become involved with a teacher in their selected area. This has led some clubs to be further involved and making new connections with schools and childcare centres; the possibility of further donations of book shelves, book trolleys etc. I have been invited to present books to the Table Cape Primary School following our visit to the Wynyard Club later this month.

Through connecting with Rotarians, I have learned of literacy programmes happening in this District; "The Dog Story" where children read to a trained dog – the dog does not interrupt the reader! And, "The Book Whisperer" written by Donalyn Miller – support for teachers to awaken the inner reader in every child. The more we become involved, the more we learn and the more we can; "Make a Difference".

Liz Colman

"More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population."

Visit the [Rotary International website](#) to see how Rotary is supporting education.

THE FOUR-WAY TEST
Of the things we think, say or
do:

1. **Is it the truth?**
2. **Is it fair to all involved?**
3. **Will it build goodwill
and better friendships?**
4. **Will it be beneficial to
all concerned?**
