Guest Speaker this Week: Liz Lethborg from CPAP Tasmania (Continuous Positive Air Pressure)

Unfortunately due to staff illness at The Cheesecake Shop and the extremely busy period at this time, there will be no Presidents Notes this week.

A great time was had by all, including meeting the new Governor, Eric Hutchinson - yes - one of the '3 Amigos'. He was very welcoming to the visitors, and made them feel very much at home.

PP Ian Smith's talk on Norfolk Island

The tour was organised by a local group, and they did virtually everything.

Firstly, the history of Norfolk Island in brief: First settled in 14th or 15th Century by Polynesians, and lasted for several generations before disappearing. The British claimed it after that, and started a settlement. In the mid 19th Century, the Pitcairn Islanders were relocated there, where they have been ever since.

The island is an Australian territory, but the locals are represented in Parliament by the Member for Canberra. This apparently does not sit well with them.

While it is an Australian territory, the only flights are via Air New Zealand, which means it is classed as an international flight!

Brief snippets.....

- Bjork is settling in well - if any Rotarians plan trips, especially of a weekend, in which she could be involved, it would be great to include her.
- Police checks are almost completed - only a few Rotarians to go.

TIPS FOR GOOD MENTAL HEALTH

To reduce anxiety in the long term, it is better to face situations that make us anxious. Expose yourself to what makes you anxious in a systematic, gradual set of steps that you tackle one at a time.

Message from the Sheep Manure Chairman's Office

Firstly many thanks to the 14 bods who assisted with the Friday set up of 'Monica' and the Saturday collection of 200 bags, all of which have been earmarked for customers.

0700-0830 left 28 Holbrook Street for Evandale, Nile, Deddington and then Uplands Road to the 'Patterdale' property some 60klm away.

0830-1200 feeding 'Monica' product of varying dampness, then the cleaning of the impeller and removing the slides, also packing up the gear for the return to Graeme's shed.

1200-1230 BBQ, feeding ourselves lunch.

1230-1500 trip back, deliver product and gear to the shed.

Experienced on the day, no rain, cold to those exposed to the wind, but overall a reasonable day's entertainment with some benefit to the club.

Many thanks, and see you at the next one!

John

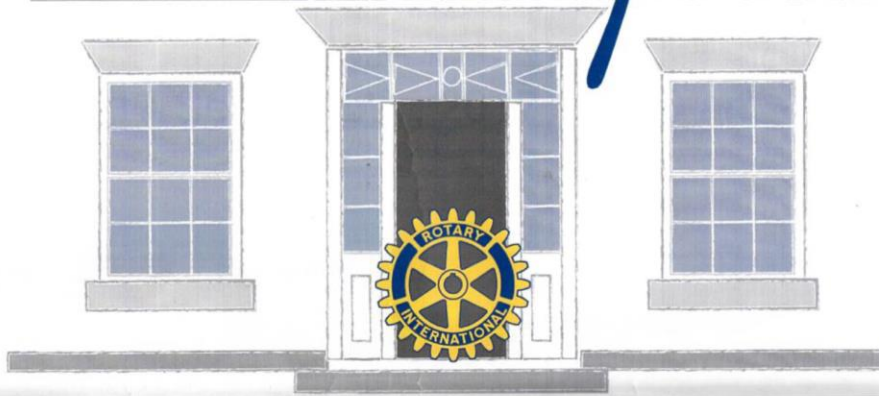

Really good effort with the hammer Dale.

Enjoying a quiet one or two after a hard day on the slides Graham

THE FOUR-WAY TEST

**Of the things we think, say or
do:**

1. **Is it the truth?**
2. **Is it fair to all involved?**
3. **Will it build goodwill
and better friendships?**
4. **Will it be beneficial to
all concerned?**
