AND FINALLY.....

A photojournalist was caught in a sudden shower of rain and ran into a nearby gloomy vacant house to take shelter.

He heard scary sounds behind him and turned around to see a ghost coming towards him.

He grabbed his camera to take pictures.

When the ghost asked him what he was doing, the journo said, "I just wanted to take your picture for the newspaper."

The ghost, chuffed, posed for the photographer.

When the photo shoot was finished, the photojournalist rushed to his office to show his colleagues— but all the shots turned out to be indistinct grey or black.

The reason was clear—the spirit was willing, but the flash was weak.
