President's Notes

Hello Rotarians,

Thank you for the warm welcome to the role of South Launceston Rotary Club President for 2019-20.

My wish was to minimise the formalities at last Thursday's Changeover Dinner - as the night should rightly be about fellowship and friendship among the fifty or so attending.

My congratulations goes to past President Krista for her leadership over the past year and empathy in all situations. Last year saw the unenviable task of introducing the new Rotary structure. We have been able to learn and hence reflected a slightly new board structure that is more appropriate to the club's needs.

Please let me introduce the coming year's board - many of whom are continuing in their roles held last year

President - Harry Galea.

Secretary - Andrea Bartholemew.

Treasurer (Accounting) - Stephen Gordan.

Treasurer (Banking) - Terry Crawford.

Club Services (new portfolio and Director) - Les Baxter.

Community Service Projects (Delivery) (new portfolio and Director) - Nic Butler.

Community Service Projects (Funding) (amended portfolio) - Graeme LeFevre.

Public Image (new Director) - Glenda Iles.

Rotary Foundation - Josh de Groot.

Vocational Projects - Wayne Higgs.

Youth Projects - Lance Pfeffer.

PRESIDENT'S NOTES (cont.)

The board was off to a flying start with a planning workshop held on Saturday 22 June at the St Vincent de Paul offices - thankyou Lara for making the boardroom available. More will be presented to members in the coming weeks.

Our guiding charter is undertaking benevolent work - something that has not changed since the formation of Rotary. Some of South Launceston's key initiatives for the coming year are:

We are continuing to pursue a commercial size fresh vegetable facility for the use of the St Vincent de Paul 'Soup Kitchen' providing meals to the homeless. This would be in partnership with two schools, so that we can advance learning and future jobs in horticulture.

Our fund-raising activities will allow us to make large and small donations to many not-for-profit organisations including our commitments to 'Care for Africa' - a special mention to Rotarian Di Butler for her ever endless work.

A focus to work with organisations and our own members to identify those in our local community who are in need so that we can help them on a one-to-one basis

We want to plan a calendar to advance fellowship and friendship among members and their partners - networking among members and a well organised community service program will made for a stronger club and of -course our support for Rotary International and Rotary District for their respective major projects in eliminating world polio and improve the health of indigenous Australians.

Congratulations must go to Rotarian Martin Yates who was awarded a Paul Harris Fellowship by past President Krista and to Rotarian Merilyn Briggs, who was awarded a Sapphire Paul Harris Fellowship by the District for her work in the youth area and other services. This is a very high and quite rare honour, and our club should be proud its members are recognised so broadly.

**APOLOGIES BY 10.30am TUESDAY TO TERRY CRAWFORD 63447033 or 0417 366 531

LAST WEEK'S CHANGEOVER DINNER

CLUB FORUM 20TH JUNE.

PE Harry Galea:

Planning Meeting to be held next Saturday with the new board – any items put forward by members are welcome and will be put on to the agenda.

Andrew Whitehead:

Noted that the staffing at the hotel bar in the period when dinner and drink orders are being taken for meetings is totally inadequate.

Will be taken up with HCG management .

Graeme Le Fevre:

Community Service Fundraising –

Wants input from members regarding ideas for small and large community projects so the Board has a range of items to consider.

Believed Fellowship in our community projects is important, and this should be a priority at all times in all projects.

The District is encouraging clubs to have a five-year plan of projects and fundraising. The new board will address this.

Kevin Preece:

Wants to see more social fellowship functions with partners. Typical events might be counter meals, etc.

Maybe individual members can come up with suggestions for the Social Chair.

Wayne Higgs:

Discussed the role of the Vocational Service Director as he is now understanding it – it is about vocational values in the community with a Rotary value emphasis. The Rotary Four-Way Test and Objects of Rotary encompass this, and we need to make the general community more aware of this aspect of Rotary.

President Krista Preece:

Following on from Wayne, we should get back to being more prominent with the values in the Four-Way Test, wearing of badges in our workplace and display the fact that we are Rotarians more obviously in the community.

A BLAST FROM THE PAST!

No soggy bottom here! In fact no bottom at all!

Some familiar faces in the crew. The lady at the front looks suspiciously like Bruce Burke, who is accompanied by a young looking Craig Mitchell.

Bringing up the rear are former members John O'Donnell and David Lindsay.

ROTARY INTERNATIONAL PRESIDENT MARK MALONEY:

In Rotary, none of us is an island. All of us are here together — whoever we are, wherever we are from, whatever language we speak or traditions we follow. We are all connected to each other, part of our communities, and members not only of our clubs but of the global community to which we all belong.

That connection is what lies at the heart of the Rotary experience. It is what brings us to Rotary. It is why we stay. It is how we will grow Rotary. And it will be our theme in the 2019-2020 Rotary year: *Rotary Connects the World*.

In this ever more divided world, Rotary connects us all. Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal.

As we begin our journey together, with optimism, courage, and joy, we know that this journey, like every other, will be what we make of it.

LAST WEEK'S CHANGEOVER DINNER

President Krista presents her report.

PP Henry Harris is presented with Honorary Membership by President Krista.

PP Martin Yates presented with a Paul Harris Fellowship by President Krista.

President Harry Galea inducted by Past-President Krista.

CLUB VIDEO WINS SECOND PRIZE IN VIDEO COMPETITION

The Rotary Club of South Launceston has been advised that their entry in the Zone 8 Public Image Video competition for 2018-19 has won second prize. The club is congratulated on this achievement.. The judges all agreed that it was 'interesting, bright and happy' and a very close second choice!

Past RI Director Noel Trevaskis has agreed that the three finalists in the competition will be featured at the New Zealand Australia Conference to be held in Christchurch in September. Social media will be used to promote the finalists in the competition and our entry will be forwarded to Rotary International, who may showcase it through My Rotary and their various social media sites.

The club is encouraged to use the video as a means of promoting the excellent work that it does in the community.

Past District Governor Ross Carlyle writes: Congratulations on second place. I love the video - specially as it reminds me of my Rotary Club of North Launceston days, spending Sunday mornings under shearing sheds!

AND FINALLY.....

A nervous bank robber pulled out what was clearly a toy gun and pointed it at the teller, stammering, "Give me all—all the m-m-money—or you're geography!"

The puzzled teller said, "Are you sure you didn't mean to say, 'Or you're history?'"

The robber snapped back, "Don't change the subject!"
