PRESIDENT HARRY'S NOTES

Hello Rotarians,

What a wonderful night we had last Thursday! A night for Rotarians, their partners and particularly their children and grandchildren. So many smiling and proud faces - they were the Rotarians and rightly so. There were also a few stories during the sergeant's fine session that should stay in-house - including the one about Nan Preece's car!!

These nights do not happen without a great deal of planning - a big thankyou to Rotarian Ian Smith.

I mentioned that at this week's board meeting we shall be finalising the club's Action Plan for the coming twelve months. From next week on we intend to progressively circulate the Action Plan for members' information and suggestions for improvement. More about that later.

Hope you are having a good weekend—look forward to seeing you Thursday.

President Harry.

URGENT REQUEST FOR HELP

Assistant Governor Brett Williams asks for our club's support on **Saturday 27th and/or Sunday 28th July** to help the **Rotary Club of Launceston**, as they work with the council at the opening of the new **Riverbend Park**, next door to the Silo Hotel. As many of you would be aware, this has been a far longer project than even the council first imagined, but it is opening and Launceston Rotary are providing the **BBQ** on both days. Times are anywhere from **9am to 2pm or anytime in between**. No need for money handlers, just cooks and servers. Anyone who is willing to assist will be made feel very welcome by President Colleen and club members. We are asked to let Colleen know ASAP if anyone from our club is able to assist. Brett says, "Having participated in a couple of BBQ's with the Launceston crew it really is a fun and well run operation everyone should experience."

SOME OF THE ACTION FROM THE GAMES NIGHT

AND FINALLY.....

A child asked his father, "Where did people come from originally?"

His father answered, "God made Adam and Eve, then they had babies, then their babies became adults and had babies, and so on."

The child then asked his mother the same question. She told him, "We were monkeys, then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me!"

The father replied, "No I didn't; your mum was talking about her side of the family."
