PRESIDENT HARRY'S NOTES

Hello Rotarians,

I'm sorry that I couldn't be with you last Thursday night's dinner meeting. I had a commitment on the east coast at the Glamorgan Spring Bay Council - a nice part of our island.

Most of you would know I'm an engineer and so it goes without saying that I like facts. So something different this week.

Did you know that:

..Rotary was formed in 1905

..Rotary's motto is 'Service Above Self'

..Rotary has 1.22 million members around the world spread over 35,000 clubs (these clubs are located in 200 countries and territories across the world.)

..Our club is in the '9830' District (which covers all of Tasmania). There are 47 clubs in the 9830 District.

..There are 529 Districts covering the world. (Remember this as there could be a prize involved.)

..Our 9830 District is in the Oceania Zone 8 that covers the whole off Australia, New Zealand, East Timor, Papua New Guinea and the Pacific Islands. And our video 'People of Action' won 2nd prize in the Zone!!

I think that might be enough facts. It goes you show that Rotary has large presence across the globe.

Hope to see you at Thursday's dinner meeting.

President Harry

LAST WEEK'S GUEST SPEAKERS

Last week two of our newest Rotarians, Hayley Bartels and Catherine Quarrell addressed our meeting under the banner of "The Rotarian Behind the Badge".

Hayley spoke first.

She was born on Christmas Eve in Launceston. Shortly after, her family moved to Sydney, as her dad was in the navy. In 1999 they returned to Launceston and Hayley attended Mayfield Primary School and the Brooks High School.

She became a Girl Guide and travelled to Hong Kong on an exchange program.

Hayley said that she loves travel and adventure. She undertook a travel and tourism course. Some of the adventure activities she has experienced include bungy jumping, caving, abseiling and parachuting. She also likes riding motor bikes.

She has travelled to Abu Dhabi; Auckland, New Zealand; London, England; Dubai and Paris France. She has a young daughter.

Sadly, at the end of her talk she announced to the club that, due to a change in family circumstances, she will be moving to Adelaide, so her short time in our club is coming to an end. We wish her well in this new phase in her life.

Catherine Quarrell spoke about her life. She has two brothers and two sisters.

She has a young son.

She was born in Launceston but has moved around quite a lot, having lived in eighteen different houses in Deloraine, Bridport and also Esperance and Perth in W.A.

Her mother is a nurse and her father a policeman. Her family moved to W.A. when she was fourteen and stayed there for eight years after which they moved back to Launceston.

Catherine has worked in hospitality and retail and has also worked for Harrison Humphries Real Estate. She joined LAFM two years ago. Catherine said she is glad to be in Rotary as it will give her an opportunity to contribute to the local community.

STREET SWAGS

Steve Gordon reports that our club has recently ordered 20 more Street Swags.

The Street Swag people report that an increasing number of older women are becoming homeless. They don't want to get exposure, they don't want to be taken to hospital with pneumonia, they don't want to force themselves to stay awake through the night because they are too scared to go sleep. Our Street Swags will continue to provide a valuable resource to those in our community who find themselves homeless.

AND FINALLY.....

A pig makes an appointment to see his doctor because he is suffering from swine flu.

The doctor examines him, gives him a leaflet for a nearby therapeutic spa and tells him to go there to relax and recoup his strength.

When the pig arrives at the spa, the staff instruct him to lie in a shallow bath of salt and sugar.

The pig does so. As he's reclining back, he chuckles to himself and thinks, "What's this supposed to do, cure me?"
