PRESIDENT HARRY'S NOTES.

Hello Rotarians.

Last Saturday we ventured on a Rotarian and partners friendship excursion along the West Tamar. The 25 strong group were dedicated on their mission to identify their favourite Northern Tasmanian wine. Unfortunately, (or fortunately depending on how you look at it) the group only managed to visit three out of the 35 wineries in northern Tas. Hence leaving scope for private tours over the summer (for those enthusiastic members).

In all seriousness, the group appeared to have a good time - easy paced but no less dedicated to the task. The day ended at Goaty Hill Winery with lunch. After sampling ten or more wines, the members of the group could be described as 'happy'. A big thank you to Rotarian Glenda for organising the event (and our special bus driver Rotarian Ian).

As this is our last news letter for 2019, may I wish all Rotarians, their families and friends the best for the festive season and that your hopes and plans for 2020 come true.

It would be great to see as many of you (and for some your young family members) at our last dinner meeting this Thursday.

President Harry

*Merry
Christmas and a
Happy New Year to

their families!*

LAST WEEK'S GUEST SPEAKER

This week's guest speaker was Rob Bramich, of 'Traders in Purple', who are the developers of a number of projects in Tasmania. They are a family Sydney based firm, and Rob is their Tasmanian representative. The CEO is Charlie Daoud.

They are currently developing a project in Kingston, and are proposing a major land development at Ridgeside Lane, Evandale, and a major redevelopment of the Beauty Point ex AMC site.

The Evandale project will require a rezone in order for it to proceed, and as such needs community support. That is the main object of proceedings at the moment. The development is proposed to have a range of housing options, tourist developments, aged care facilities, child care, botanical gardens and all designed around sustainable living. Approximately 650 lots are involved.

Some of the issues being addressed are traffic interaction with existing main roads, sewerage, water, and the normal infrastructure needed for such a significant undertaking. The current intention for wastewater treatment is for it to be done within the site.

It is envisaged that over 200 full time equivalent jobs will result from the finished project. However there are still a number of matters to be addressed beside the rezoning, including the Northern Tasmanian Land Use Strategy. If all goes well, construction could start in 2022.

Residential designs for the project will likely have a number of design philosophies embodied in the title, so that an appropriate overall theme, or design standard is established.

LAST WEEK'S MEETING.

President Harry:

Inducted new members Troy Reid and Anna McGrane to the Club. Troy was proposed by Paul Fitzpatrick, and Anna by Dale Luck.

Harry wished all members a safe and happy Christmas season.

Thanked Diana Butler for her help and support in the Longford Blooms event. Amounts of \$4,000 were able to be forwarded to both Care for Africa and our club as a result of the days profit. Thanks also to Graeme Le Fevre for his substantial contribution to the event.

Secretary Andrea Bartholemew:

There are still 2 tickets to the Harley Davidson raffle left. The club receives a percentage of all ticket sales.

Treasurer Terry Crawford:

Took numbers for both the Christmas function next week and the Red Hot Concert toilet cleaning roster on Jan 26th.

Social - Les Baxter:

Reminded members that next week's function will include members supplying gifts for the young ones in their care.

The Wine Tour is on this Saturday as previously arranged.

The first meeting in January will be on the 9th January, and will be a progressive dinner. More details later.

On Sunday the 19th January, there is a meal and social day at Dale Luck's shack at Bridport. It's a fun day - no fund-raising, and if anyone wants to make a weekend of it, there is plenty of accommodation available.

Community Projects - Delivery - Nick Butler:

A reminder that we have been invited to put in an entry to the soggy bottom regatta to be held in March. Harmony Day is on again - we have again been asked to help out on the day for this excellent community project.

Club Service - Les Baxter:

The Carols By Candlelight event on 22nd December needs Rotary helpers. Let Les know if you are available.

AND FINALLY.....

A woman asked a boy if he could name Santa's reindeer.

"I know two of them," he said confidently, "Rudolph and Olive."

'Really?' said the woman, surprised. "Yes," the boy continued. "Just like in the song."

He took a deep breath and sang: "Rudolph the red-nosed reindeer had a very shiny nose, and if you ever saw it, you would even say it glows. Olive the other reindeer used to laugh and call him names."
