PRESIDENT HARRY'S NOTES.

Hello Rotarians.

Welcome to a new year and a new decade - the 20's. I trust all Rotarians and their families enjoyed the festivities of Christmas and the New Year. If you have made a resolution then I hope you have the fortitude (and some luck) to see it to fruition.

Don't forget that the normal dinner meetings at the Grand Chancellor start next Thursday 16 January. The Board will be considering changes to the format of dinner meetings and adoption of a major community service and a major fund raising event. More about this later. Don't forget that a short Annual General Meeting will be held at the 16th dinner meeting, primarily to confirm/elect board members for the 2020/21 financial year. See some of you at the social function this Thursday and most of you at the 16th dinner meeting.

President Harry

DIVERSITY, EQUITY, INCLUSION

DIVERSITY

Rotary welcomes people of all backgrounds, cultures, experiences, and identities.

EQUITY

Rotary strives for the fair treatment, opportunity, and advancement of all Rotary participants.

INCLUSION

Rotary is working to create experiences where all people feel welcomed, respected, and valued.

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity. A top priority for Rotary is growing and diversifying our membership to make sure we reflect the communities we serve. We're creating an organization that is more open and inclusive, fair to all, builds goodwill, and benefits our communities. We want people with differing perspectives and ideas who will help Rotary take action to create lasting change in communities around the world.
