### PRESIDENT HARRY'S NOTES.

Welcome Rotarians to a new month. Last week I said hello to a few members at Festivale - very fickle weather but generally not as bad as predicted by the weather bureau.

Thank you to members who attended last week's meeting for completing the questionnaire. Eight of the nine suggestions had the over whelming support of members. The suggestion that had an even vote related to dispensing with Rotary Grace. The board

has decided to implement all suggestions except dispensing with Rotary Grace. There will be a review to determine their workability after a number of months. The next step in the process is a meeting with the Grand Chancellor.

Provided there are no unexpected problems, we should be able to implement the changes later this month.

As a reminder the changes will be:

.. every 4th Thursday of the month we will have friendship (including family) meetings at different venues other than the Grand Chancellor. They may be picnics in the park, at a pub, bring and share at a private event or vocational visit.

..simplify regalia by erecting a Rotary District flag.

..retain directors reports, guest speakers, sergeant's session and raffle.

..dispense with the National Anthem.

..implement a more formal president's message at the conclusion of the meeting.

The membership committee who recommended these changes to the board (and consequently to members) will meet in the coming weeks to discuss initiatives to 'grow membership' and 'increase participation and stimulate interest'.

I hope to see you at Thursday's dinner meeting.

President Harry.

## LAST WEEK'S TOILET CLEANING.

President Harry hard at work.  
Thanks to all Rotarians who helped with this effort,  
which was very much appreciated by the patrons.  
It raised \$1,200.00 for club fund-raising.

## ROTARY PEACE FELLOWSHIPS.

The 2021 Rotary Peace Fellowship applications are now available, and we need your help finding the next cohort of global peace and development leaders.

Club members are encouraged to use their professional and social contacts to find potential candidates. They can also support the program by coaching candidates through the application process and connecting them to districts that can endorse their applications, a required step in the application process.

These resources can help you and your members recruit candidates for 2021 Rotary Peace Fellowships:

Take the 'All About the Rotary Peace Fellowships' course to learn about qualification requirements, eligibility restrictions, the application process, and more.

Send emails to your contacts with the fellowship announcement attached.

Use our referral form to tell us about potential candidates, and we'll follow up with them.

Candidates have until 31 May to submit applications to their districts. Districts have until 1 July to submit endorsed applications to The Rotary Foundation.

We're also proud to announce a new Rotary Peace Centre at Makerere University in Kampala, Uganda — our first peace centre in Africa — as well as exciting changes to the professional development certificate program. Learn more about the certificate program and our new peace centre.

Send any questions about the fellowship program to [rotarypeacecenters@rotary.org](mailto:rotarypeacecenters@rotary.org). Thank you for your dedication to the Rotary Peace Centres and your help educating Rotary members and your community about the fellowships.

Members can refer any potential candidates to the club's Foundation Director, Les Baxter.

## AND FINALLY.....

My husband and I went through the McDonald's drive-thru window and I gave the cashier a \$5 note.

Our total was \$4.25, so I also handed her 25c.

She said, 'you gave me too much money.'

I said, 'Yes I know, but this way you can just give me a dollar back.'

She sighed and went to get the manager who asked me to repeat my request.

I did so, and he handed me back the 25c, and said 'We're sorry but we don't do that kind of thing.'

The cashier then proceeded to give me back 75 cents in change.

Do not confuse the people at MacD's.

-----  
We had to have the garage door repaired.

The repairman told us that one of our problems was

that we did not have a 'large' enough motor on the opener.

I thought for a minute, and said that we had the largest one made at that time, a 1/2 horsepower.

He shook his head and said, 'You need a 1/4 horsepower.'

I responded that 1/2 was larger than 1/4 and he said, "NOOO, it's not. Four is larger than two."

We haven't used that repairman since...

I live in a semi-rural area.

-----  
We recently had a new neighbour who called the local city council office to request the removal of the 'DEER CROSSING' sign on our road.

The reason: 'Too many deer are being hit by cars out here! I don't think this is a good place for them to be crossing any more.'
