PRESIDENT HARRY'S NOTES

Welcome Rotarians.

It is official - the club will begin face-to-face meetings on Thursday 16 July at the Grand Chancellor (of course still 6 for 6.30pm start). We are finalising the menu with the hotel, based on savory components rather than dessert.

The board is holding fortnightly meetings to ensure the business of our club is being processed in a timely manner. The major decisions from Monday's board meeting were:

- .. approved donations to local charitable organizations Skehinah House (\$1000), Catholic Care Safe Choices (\$1000) and St Vinnies (\$2000).
- ..expect to hold a sheep poo collection in July.
- .. given the inability to raise funds, the scale of future donations may need to be reduced to ensure our reserves do not diminish too quickly, given we do not know when COVID 19 will finish.

The board acknowledged that COVID 19 has had a financial impact on some members. If the membership fees are difficult to afford, then please remember that hardship cases will be treated confidentially. We will make arrangements work to support the continued involvement of our members.

The next meeting of the board will include the new directors for FY2020/21. Welcome to Dale Luck and Melissa McGrath as Community Services (Projects) Director and Youth Services Director respectively.

I wish to express appreciation to Rotarians Graeme LeFevre and Nick Butler who are standing down from the board. Both have been tireless workers and major contributors on the board. As 'ordinary' members I expect they will remain vocal and step forward in providing assistance.

Unfortunately time did not permit the preparation of the quiz. I will try and double the effort for next week.

Have a good week.

President Harry.

27th June—Peter Stearnes.

PEOPLE NEWS

Geoff Lean had a week in hospital recently as he was unable to get out of bed. He is home again and feeling well. He was told that he would be kept in hospital until they found out what was wrong with him. But shortly after he was told he could go home. He is still wondering if they found out what his problem was!

WINNER—ROTARY INTERNATIONAL PHOTO CONTEST

Photographer: Tono Valdés
Rotary Club of Guatemala Sur, Guatemala
Location: Fuego Volcano,
near Escuintla, Guatemala

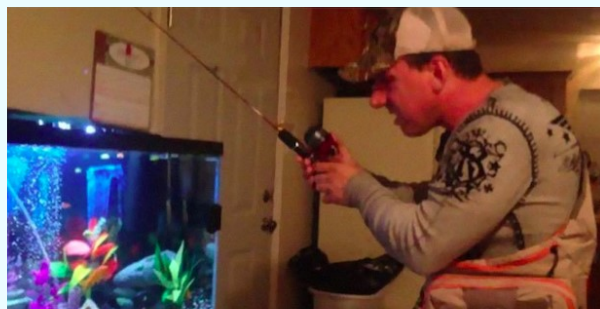

The judge said: With every colour in the spectrum represented, this nighttime volcano scene is like a deconstructed rainbow stretched by time and punctuated by the raw power of nature. It is the rare photo that you would be happy to have on your wall, to stop and stare at every time you pass by. I love the collision of the blue-hued star trails, all traveling through the composition in tidy, concentric circles, with the chaos and violence of the exploding volcano. The green hue of the fluorescent-lit cityscape below helps balance the frame.
