### PRESIDENT'S REPORT

Hello Rotarians

Fighting Polio has been one of the defining focuses of Rotary for many years.

Rotary's goal of ridding the world of polio is within reach, global health experts said during the 2021 [World Polio Day Online Global Update on 24 October](#). The 30-minute program, "Delivering on our Promise of a Polio-Free World," provided encouraging information about the progress and remaining challenges in the fight to end polio. So far in 2021, only two cases of wild polio have been reported — the lowest circulation of the disease ever — with one infection each in Afghanistan and Pakistan, the two countries where polio remains.

This year's program included a powerful video of polio health workers in Afghanistan and Pakistan, as well as Rotary members sharing their World Polio Day projects and events to raise awareness for polio eradication. Watch this program on [YouTube](#) or [Facebook](#)

For all of us, Rotarians, it is amazing to see what Rotary means to millions of people around the world and the impact we make when we all work together.

Yours in Rotary

*President Lara*

#### THE FOUR-WAY TEST

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
