Presidents Report

Hello Rotarians,

I hope you have had a wonderful week.

A busy week for our club, in particular Saturday 25 November 2023. First of all, I would like to thank PP Harry Galea and his team for the Vinnies BBQ. The weather was unkind in the morning but improved in the afternoon. This was a quite fundraising event but there will be no waste as sausages, sauces etc. will be used at our Christmas BBQ at the Gordon's place on Sunday 10 December 2023. Terry will commence taking numbers this week.

Saturday evening was the Friendship cocktail party at the Country Club. Proceeds from this event will be shared between Care for Africa and Motherland. Thank you to the hard-working committee for putting this event together in such a short period of time. I am sure it was a successful evening. I know I enjoyed myself. Thank you to all club members and their families who attended, there was a strong representation. Finally thank you to all members who donated to the fundraiser without the support this event would not raise the much-needed money needed to support Care for Africa and Motherland.

This week is our final Board meeting for 2023. I wish to thank the Board for their hard work for the first part of this Rotary year.

This week is our AGM which as usual will be short, followed by a presentation from Rotarian Phil's outback adventures. I am looking forward to that.

I am looking forward to seeing you all on Thursday at the Grand Chancellor.
Yours in Rotary
Andrea Bartholemew
President

Christmas Games Night

The club is having a Christmas Games Night on Thursday 7 December organised by Rotarian Ian Smith. All family members are welcome especially those younger.

At the coming Thursday's meeting (30 November where Rotarian Phil Niejalke will be guest speaker on his adventures around Australia) we will be taking numbers for the Games Night being only the week after. As always a special young children's meal will be provided.

Please support this event as more participating will bring the Christmas spirit.

- We have received this email and if any members would like to support Jaclyn please follow the link.

Hello Rotarians,

My daughter Jaclyn undertakes a challenge every November to raise funds for Movember (men's prostate cancer). She has done this since learning of my prostate cancer diagnosis in 2020. Last year she push bike solo from Launceston to Devonport (> 100km) and this year it's a solo canoe from Launceston to Low Head (>75km).

She asked if she can advertise this challenge in the Rotary newsletter hoping for a few to make a donation. The flyer is below and Web address for donations <https://au.movember.com/mospace/14322403>

THE FOUR-WAY TEST

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
