Club of South Launceston

**This Week  
Presentation Motherland**

### Presidents Report

Sadly, I wish to inform the club of the passing of Rotarian Henry Harris. Henry had been a member of North Launceston since joining in 1977 He was President and a Paul Harris Fellow. Henry embraced the amalgamation with South. He was very active in North, being the original truck driver for the sheep manure collection. He kept up his work on that Project with South until he was no longer able to do it. He was a real Club person and worked on all projects for both North and South. Working on the Show Kiosk with North was one of his greatest joys. He worked at Repco for many years, and that became the ACL Bearing Company. He also operated a successful farm at Pipers with his wife Greta. They both worked tirelessly on that for many years. He and Greta also worked together on the LGH Kiosk for many years, where Henry was treasurer for an extended period. Our condolences to Greta and her family.

Last week we had our annual Christmas family games night. I am sure all members and their families who attended enjoyed themselves.

This week we have a presentation to Stephanie Trethewey founder of Motherland with the club's share of the proceeds from the Friendship cocktail party held at the Country club casino on 25 November 2023 followed by a short Quiz.

This week is our final meeting for 2023. We will send out an email to all members with details of our welcome back BBQ and meetings for January 2024.

I wish all members and their families Seasons Greetings, and we will see everyone in the New Year.

President Andrea.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

4. Will it be BENEFICIAL to all concerned?"
